

THE BANDING SUMMARY TABLE

The following section provides a table summarising the banding awards that are set out in detail above.

Band 1 – Urgent priority statutory housing need to move: these are applicants that are owed a statutory award of ‘reasonable preference’ but whom the Council also believes should also be awarded ‘additional preference’ based on their very urgent housing need.

Band 2 – High priority statutory housing need to move: This band consists of applicants that are owed a statutory award of ‘reasonable preference’ under the policy and have been awarded band 2 priority based on their assessed high housing need.

Band 3 – Lower priority statutory housing need to move: This band consists of applicants with a statutory need but that need is assessed as being lower than Band 2, plus applicants over the age of 55 without a statutory housing need but are willing to consider accepting a tenancy for specialist accommodation for older people in Wigan.

BAND 1: Exceptional Urgent Need to Move

These are applicants awarded reasonable preference and additional preference and include households with the highest need for rehousing.

Note: To be awarded any of the bands an applicant must qualify to be included on the Housing Register. This means they must meet the residential connection rule and not be disqualified under any of the other adopted rules, unless the Council has agreed that discretion should be applied to waive the residential connection rule or any other qualification rule due to exceptional circumstances.
